FAERIE

FOR NAILS

Made from Preciosa Cubic Zirconia, our new
Regal Faerie in “Ice Queen” is nothing short
of manicure royalty.

PRECIOSA

Preciosa Regal Faerie comprises tiny faceted cubic zirconia, unmatched in both shine and durability. The perfect choice for a special occasion, Regal Faerie is the elevated, more sophisticated version of our sister product, Crystal Faerie, and unmistakably fit for a queen.

Application

For best results, Regal Faerie should be applied by a professional nail technician. Regal Faerie was designed for external use on finger or toe nails, and should be applied on top of nail polish, gel or professional glue. Do not use with other types and/or conventional glue. Exposure to UV rays will not affect Regal Faerie's shine or durability.

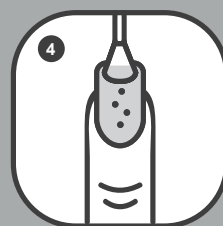

1. Apply first coat of nail polish or gel and allow to dry completely.

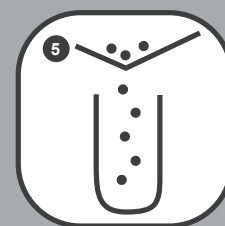

2. One nail at a time, apply second coat of nail polish, gel or professional glue. Hold that finger over a small tray and sprinkle Regal Faerie over the painted, still-wet nail.

3. Gently press and compact the stones onto the nail and let it dry completely. We recommend using a cosmetic or nail brush to shape the stones into the desired formation.

4. Apply a light, top coat around the edges of the stones for maximum durability.

5. Pour remaining Regal Faerie from the small tray back into the bottle for future applications.

Removal

To remove Regal Faerie, use nail polish remover or recommended remover for gel nail lacquer.
